

Will this contribution provide any personal benefit to a government official? Yes No

How many people will benefit **directly** from your efforts? 4000+

If this request is for a specific event, list the dates of the event See Attached

Are any Newmont employees actively involved in your organization? Yes No

If yes, please list their names and functions within your organizations Kris Robinson is a board member
and many of our citizens and volunteers are employees of Newmont or involved in support service.

What is the primary focus of your organization? To provide services for our citizens.

If other local organizations provide the same or similar services, please indicate how your program is unique:

How exactly will the funds you are applying for be used? (List local projects or economic benefits. Be specific.)

Attract participants and citizens to our events and provide the basics for successful events.

How will this project address local community needs? All our events help encourage community involvement by participation or being a volunteer. Volunteers learn many skills that can be helpful at work or home.

The events give the people a chance to use their artistic talents; be it at Art in the Park, the spook walk, or cooking chill.

How will you measure the success of your project? Attendance feedback. Number of people who participate. All the events except the Spook Walk are fund raisers so the amount raised will be an indicator of our success. The Spook Walk profits are divided among the groups that participate.

I certify that the information above is correct and that the contribution, if approved, would be used solely as described above.
